### Description

## Transform Your Living Space with the Lift Top Coffee Table

Elevate your living room experience with our Lift Top Coffee Table with Hidden Compartment. This versatile piece combines functionality and style, making it the perfect addition to any home. Crafted from high-quality MDF, this coffee table not only offers ample storage space but also adds a touch of elegance to your living space.

### Large Hidden Storage Space

With a generous 6.3 inches of hidden storage space under the tabletop, this coffee table ensures that your living room stays tidy and organized. The lift top design allows you to easily access all your essentials, whether it's magazines, remote controls, or other living room accessories. The simple design and minimal divisions make cleaning a breeze, ensuring that your coffee table always looks its best.

### Upgraded Lift Mechanism

Experience the smooth and quiet operation of the upgraded hydraulic lift mechanism. The lift top coffee table can be effortlessly raised to a height of 18.3 inches, providing a convenient surface for working, dining, or simply relaxing with a book. Foam bumpers under the tabletop help to avoid noise and pinching, ensuring a safe and comfortable user experience.

### Sturdy and Stable Construction

Constructed from P2 grade particleboard, this coffee table meets the CARB Phase 2 and TSCA Title VI standards for safety and environmental protection. Once assembled correctly, the coffee table provides a stable and secure space for you to work and study, supporting up to 85 pounds. The engineered

wood frame and rectangular shape offer both durability and a modern aesthetic.
