Description

Effective, Effective, and Lightweight Cleansing Option

Discover the supreme cleansing buddy for your home and vehicle. This cordless vacuum is created for those who require effective suction in a light-weight and user friendly form. Whether you're cleaning hardwood floors, carpets, or even your car interior, the 20Kpa suction ensures deep and thorough cleaning every time. With its 2200mAh battery, you can enjoy up to 40 minutes of uninterrupted cleaning, making it perfect for quick daily cleanups or larger cleaning tasks.

Key Features

- **20Kpa Strong Suction:** The high suction power is ideal for picking up dirt, dust, pet hair, and debris from both carpets and hard floors, ensuring a cleaner home every time.
- **Lightweight and Compact:** Weighing under 3kg, this vacuum is incredibly easy to carry, maneuver, and store. Clean without fatigue or hassle, whether it's your floors or your car.
- **2200mAh Li-ion Battery:** Enjoy up to 40 minutes of continuous cleaning on a single charge. Perfect for small to medium-sized spaces, and it's powerful enough for those bigger jobs too.
- **Bagless Convenience:** The cyclone dust bucket design means no bags are needed. Simply empty the dust container when it's full, and you're good to go!
- **Multi-functional Attachments:** Includes a long crevice tool, 2-in-1 brush, motorized brush head with roller brush, and an extra filter for cleaning all corners, upholstery, and tight spaces.
- **Easy Storage:** Comes with a wall mount and screws, allowing you to easily hang your vacuum when not in use, saving space in your home.
- **Multiple Cleaning Nozzles:** Designed with 1 to 3 nozzles, the vacuum provides versatility in cleaning all areas, from floors to car interiors.
