

Light-weight Cylinder Vacuum

Description

Simple And Easy Cleansing Power in a Compact Style

Make daily cleaning up a breeze with this streamlined, light-weight cylinder vacuum in a lively Grapevine Purple surface. Created for both power and mobility, this vacuum loads a punch with 1200W of suction, yet weighs simply 7.5 pounds, making it simple to bring from space to space. Whether you're dealing with day-to-day dust or providing your home a deep tidy, this vacuum is developed to streamline your cleansing regimen while providing trusted efficiency on every surface area.

From carpets and carpets to wood and tile floorings, the multi-surface flooring nozzle shifts flawlessly in between surface areas with a basic flip of a switch. The 6-foot tube and telescoping wand offer you extended reach to tidy under furnishings, along baseboards, and even up to ceiling corners and drapes. When you're done, the automated cable rewind function pulls back the cable with a single push — no flexing or winding needed.

Why You'll Love It

- **Powerful Variable Suction:** Adjusts to handle anything from light dust to stubborn debris.
- **Multi-Surface Cleaning:** Easily transition between carpets and hard floors with one switch.
- **Lightweight and Portable:** Weighs only 7.5 lbs with a convenient carry handle for room-to-room mobility.
- **6-Foot Hose & Telescoping Wand:** Reach high or low for thorough above-floor cleaning.
- **Automatic Cord Rewind:** Cord pulls back at the push of a button — no tangles, no hassle.
- **Complete Cleansing Toolkit:** Includes crevice tool, dusting brush, and five easy-to-remove dust bags.
- **Washable Filters:** Pre- and post-motor filters are reusable and help keep your air clean.

Ideal for Quick Jobs or Deep Cleans

Perfect for apartments, homes, and spaces of any size, this vacuum is your go-to for everything from quick daily pick-ups to deep cleaning sessions. The airflow regulator allows you to control suction for more delicate surfaces like drapes and upholstery, while the flat suction nozzle helps you clean tight corners and narrow spaces. Whether you're prepping for guests or just keeping your space fresh, this vacuum is built to keep up with your life.

What Makes It Stand Out

It's the little things that make a big difference. This vacuum's compact design and intuitive features give you pro-level cleaning without the bulk. The combination of high-powered suction, user-friendly controls, and convenient add-ons ensures you can clean smarter, not harder. And with its bold purple finish, it doesn't just perform — it adds a stylish pop of color to your cleaning routine.

Ready to upgrade your cleaning game? Add this light-weight canister vacuum to your cleansing toolbox and experience power, benefit, and flexibility — all in one compact, lively plan.
