

Magnetic 10000mAh Portable Battery Charger

Description

Power Up Anywhere with Fast & Wireless Charging

Stay connected and fully charged no matter where you are with this **10000mAh magnetic portable charger**. Designed for ultimate convenience, this power bank features **15W wireless charging** and a **30W USB-C fast charging** port, allowing you to power up your devices quickly and efficiently. Whether you're traveling, working, or on the go, this compact and lightweight charger ensures your phone never runs out of battery.

2-in-1 Charging: Wireless & Fast

- **Magnetic 15W Wireless Charging:** Snaps securely onto compatible devices for effortless charging.
- **30W USB-C Fast Charge:** Delivers high-speed charging for phones, tablets, and other electronics.
- **Qi2 Certified Safety:** Ensures stable and efficient wireless power transfer without overheating.

High Capacity, Lightweight Design

With **10000mAh of power**, this portable battery pack can charge your smartphone multiple times, making it perfect for long trips, daily commutes, and emergencies. Despite its powerful capacity, the sleek and slim design fits comfortably in your pocket or bag, so you can carry it effortlessly wherever you go.

Comfortable & User-Friendly

- **Ergonomic Grip Design:** Feels comfortable to hold while using your phone.
- **LED Display:** Shows real-time battery status, so you always know how much power is left.

- **Built-In USB-C Cable:** No need to carry extra wires—just plug in and charge.

Ideal for Every Situation

Whether you're working remotely, traveling, or simply out for the day, this power bank keeps your devices fully charged. The strong magnetic attachment ensures a secure connection for **iPhone, Samsung, iPads, and more**, making it a must-have accessory for tech lovers.

Upgrade your charging experience—order yours today!
