

Magnetic Car Mount & Wireless Charger with 360° Rotation

Description

Effortless Charging and Hands-Free Navigation

Say goodbye to messy cables and weak phone mounts with the Magnetic Car Mount & 15W Wireless Charger. Designed to make your drive safer and more convenient, this magnetic car mount offers fast 15W wireless charging and an ultra-secure hold with its dual neodymium magnets. Whether you're navigating, taking calls, or charging on the go, this phone holder ensures your device stays firmly in place, giving you peace of mind on every trip.

The mount is foldable, rotatable, and adjustable to fit any angle, so you can effortlessly find the perfect viewing position, whether horizontal or vertical. It's ideal for iPhones with MagSafe technology (iPhone 12-16 series) and other phones that support wireless charging with the addition of a metal ring. This all-in-one solution combines style, safety, and efficiency, making it an essential tool for any modern driver.

Key Features

- **15W Fast Wireless Charging:** Enjoy speedy and efficient charging with magnetic alignment for uninterrupted power on the go.
- **N55 Strong Magnet:** Dual neodymium magnet circles ensure a strong, ultra-secure hold for your phone, even on bumpy roads.
- **360° Rotation:** Fully adjustable and rotatable design allows easy switching between portrait and landscape views.
- **Foldable and Compact Design:** Easily folds away when not in use, saving space in your car.
- **Large Adhesive Base:** The octopus-inspired adhesive pad sticks firmly to both flat and curved surfaces.
- **One-Handed Operation:** Effortlessly attach and detach your phone with one hand, making it easier to focus on driving.

Why You Need This Magnetic Car Mount

- **Reliable and Secure:** No more fumbling with phone holders that fail to grip your device. The N55 strong magnet keeps your phone safe and secure, even during sharp turns and sudden stops.
- **Hands-Free Convenience:** Whether you're navigating or taking hands-free calls, this mount lets you do it all without distractions.
- **Perfect Viewing Angle:** Adjust the mount to your desired angle, ensuring you always have the best view of your phone while driving.
- **Universal Compatibility:** Designed for iPhone 12-16 series and other wireless charging phones, it's the perfect solution for all your devices.
- **Durable and Stylish:** Crafted from premium zinc alloy, this mount is both durable and sleek, blending seamlessly with your car's interior.
