Stay Cool Anywhere with Our Mini Portable Outdoor Fan

Keep cool on the go with this Mini Portable Outdoor Fan, designed to be your ultimate cooling companion wherever you are. Whether you're hiking under the summer sun, working in a stuffy office, or just need a quick breeze at home, this wireless fan has you covered. Built with a powerful 3000mAh battery, it's both rechargeable and able to function as a power bank, giving you that refreshing airflow you need. Its 3-in-1 functionality allows you to use it as a standing, hand-held, or hanging neck fan, providing cooling relief in multiple settings.

Features to Keep You Comfortable

From its 180° folding design to adjustable wind speeds, this fan is built with your comfort in mind. Let's take a look at its standout features:

- **Adjustable Wind Speeds:** Four-speed settings from a gentle breeze to strong wind, meeting your various cooling needs.
- **Multi-Functional:** Use it as a tabletop stand, handheld fan, or wear it around your neck for hands-free cooling.
- **Real-Time Power Display:** Easily monitor battery levels to recharge promptly with USB charging.
- **180° Folding Design:** Compact and versatile, the folding feature makes it easy to store and use as a phone stand.
- **10-Hour Service Time:** Enjoy up to 10 hours of uninterrupted airflow on a single charge, depending on the speed setting.

Benefits to Beat the Heat

With this versatile fan, you can:

- **Stay Cool Anywhere:** The lightweight, portable design ensures you can take it anywhere without hassle.
- **Customize Your Breeze:** Four speed levels allow you to adjust the airflow based on your environment and personal preference.
- **Recharge On the Go:** Built-in 3000mAh battery not only powers the fan but can also charge your phone in a pinch.
- **Hands-Free Comfort:** Wear it around your neck while working, cooking, or enjoying outdoor activities.
