

Mini Portable Outdoor Neck Fan

Description

Stay Cool and Comfortable Wherever You Go

Meet your new on-the-go cooling companion: the Mini Portable Outdoor Neck Fan! This handy gadget is powered by a 1200mAh battery that keeps you refreshed for up to 5 hours. Whether you're hiking under the blazing sun, working out at the gym, or simply need relief from a stifling commute, this neck fan is here to help. Conveniently rechargeable via USB, you'll never have to worry about running out of power when you need it most.

Unique Features That Set It Apart

- **3-Speed Wind Power:** Enjoy your perfect breeze with low-noise operation, offering standard wind speeds to fit your comfort.
- **Soft Fan Blades:** The blades automatically stop when touched, ensuring your safety while in use.
- **Flashlight Function:** Long press the button to switch on the built-in flashlight, perfect for night outings or emergencies.
- **Multi-Purpose Design:** Transform it into a handy cell phone holder when not in use, adding extra functionality to your cooling solution.
- **Compact & Lightweight:** Easily carry it around your neck or pop it in your bag with its convenient lanyard attachment.

Benefits of the Mini Portable Outdoor Neck Fan

- **Stay Hands-Free:** Keep your hands free for other tasks while staying cool.
- **Rechargeable Battery:** A 1200mAh battery ensures up to 5 hours of consistent airflow on a single charge.
- **Versatile Usage:** Ideal for sports, outdoor adventures, travel, or relaxing at home.
- **Quick Charging:** Recharges fully in about 2 hours using the included USB cable, getting you back to cool comfort quickly.

Don't Miss Out!

With its innovative features and multi-functional design, the Mini Portable Outdoor Neck Fan is your perfect summer companion. Whether you're battling the heat outside or want some cooling relief at home, this wireless neck fan makes it easy.
