Product Features

Our hot pot and barbecue machine boasts a variety of features that make it an indispensable tool in your culinary arsenal. It includes:

- A flat, non-stick Teflon bakeware type pan, ensuring easy cooking and cleaning.
- Multi-gear temperature adjustment for precise control over your cooking.
- Dismountable oil collector for a healthier cooking experience.
- Constructed from durable carbon steel and certified with CE for safety and quality assurance.
- Powerful 1501-2000W operation at a voltage of 220V for efficient cooking.

Perfect for Every Occasion

Whether it's a family get-together, a weekend party with friends, or a cozy meal for two, this hot pot and grill is designed for every occasion. Its smokeless operation ensures a pleasant indoor environment, while the non-stick surface makes cooking and cleanup a breeze.

Why Choose Our Electric Grill Pan?

Stand out features of our product include its versatility and ease of use. Switch between a bubbling hot pot and a sizzling grill in seconds. The dismountable oil collector not only makes cleaning effortless but also ensures a healthier meal by capturing excess oil.

Benefits of Our Product

- Enjoy a versatile cooking experience with the ability to grill and hot pot.
- Smokeless technology allows for indoor use without the hassle of fumes.
- Easy temperature control for perfect cooking every time.
- Non-stick, easy-to-clean surface for hassle-free maintenance.
- Durable and safe, designed for long-lasting use.
