

## Neoprene Pool Railing Covers

### Description

## Enhance Safety and Comfort

Upgrade your pool experience with our Neoprene Pool Railing Covers. Designed to provide a secure and comfortable grip, these covers are perfect for both residential and commercial pools. Made from high-quality neoprene, they are durable, rust-proof, and capable of withstanding extreme heat and prolonged water exposure. These handrail covers ensure safety while adding a touch of comfort to your pool area.

## Product Features

Our pool railing covers are available in multiple sizes, making them compatible with most standard pool handrails and ladders. The non-slip design reduces the risk of slipping and falling, providing maximum protection for children, seniors, and individuals with disabilities. The sturdy zipper ensures the cover stays in place, perfectly integrated with the pool ladder.

- **Material:** High-quality neoprene
- **Sizes:** 4ft (120\*15cm), 6ft (180\*15cm), 8ft (240\*15cm), 10ft (300\*15cm)
