## Unique Features and Quality Craftsmanship

Our Nordic Lava LED Floor Lamp boasts a range of features that set it apart. Crafted from high-quality hardware and acrylic, it offers durability and a sleek look. The lamp's mirror-like texture, achieved through innovative electroplating, adds a luxurious feel to your space. Standing at an impressive height of 175cm and with a diameter of 90cm, it provides optimal illumination for an area of 5-10 square meters.

- Voltage compatibility: 90-260V, adaptable to various power supplies.
- Equipped with 7 LED E27 bulbs, ensuring energy-efficient and long-lasting light.
- ABS shade type with upward shade direction for a comfortable lighting experience.
- Sturdy iron finish and PVC body, ensuring both stability and style.
- Comes with a knob switch for easy operation.
- Non-dimmable feature, providing consistent and reliable lighting.
- Wide range of certifications, including CCC, CE, CQC, EMC, FCC, GS, LVD, PSE, ROHS, SAA, UL, VDE, ensuring safety and quality.

## Where and When to Use

This floor lamp is best used in living rooms, dining areas, or bedrooms to create an inviting and warm atmosphere. Its modern style makes it a great fit for contemporary interiors, while its innovative design ensures it stands out in traditional settings as well.

## Why Choose Our Nordic Lava LED Floor Lamp?

What sets this lamp apart is its combination of modern aesthetics, innovative design, and practical functionality. Its unique lava lamp-inspired design is not just a light source but a piece of art that enhances the overall beauty of your home. The lamp's energy-efficient LED technology ensures that it is as economical as it is stylish.
