

Polaroid Women's Havana Polarized Shades with Rose Lenses

Description

Item Introduction

Step up your eyeglasses video game with the **Polaroid Women's Havana Polarized Shades**, developed to bring beauty and clearness to your outside experiences. The **metal frame** in a trendy **Havana color** supplies a smooth, advanced appearance, while the **increased polarized lenses** provide remarkable security and visual convenience. Whether you're walking through the city, investing a day at the beach, or taking pleasure in an afternoon out in the sun, these sunglasses integrate design and efficiency to secure your eyes from hazardous UV rays and minimize glare with ease.

Secret Functions

- **Frame Product:** Top quality metal frame in a traditional **Havana color** that includes a touch of beauty and resilience.
- **Lenses Product:** Polarized plastic lenses that boost clearness, minimize glare, and supply an outstanding visual experience.
- **Lenses Color:** Rose-tinted lenses that supply a stylish appearance while enhancing contrast and convenience.
- **Filter Classification:** Classification 2 lenses, ideal for moderate sunshine conditions.
- **Defense:** 100% UVA & UVB security, guaranteeing your eyes are protected from hazardous sun rays.
- **Frame Measurements:** 53mm lens width, 18mm bridge width, and 140mm temple length, offering a comfy and safe fit.

Why You Need These Sunglasses

The **Polaroid Women's Havana Polarized Sunglasses** offer a perfect blend of fashion and functionality. The **Havana color** frame is a timeless classic that adds sophistication to any look, while

the **rose lenses** create a stunning visual effect. With **polarized lenses** designed to reduce glare, these sunglasses are perfect for bright sunny days. Whether you're driving, walking, or just relaxing in the sun, these sunglasses help enhance clarity and reduce eye strain, providing a more comfortable experience in bright outdoor conditions.

The **53mm lens width**, **18mm bridge width**, and **140mm temples length** ensure a comfortable, safe fit that works well for most face shapes. The **Protection 2** lenses block harmful UV rays, providing protection against long-term sun damage while keeping your eyes safe. The lightweight design and stylish appeal make these sunglasses the perfect accessory for every occasion, from casual outings to special outdoor events.

Benefits of Polaroid Polarized Sunglasses

- **Clearer Vision:** Polarized lenses reduce glare and improve contrast, making it easier to see clearly in bright sunlight.
- **Chic Design:** The **Havana metal frame** adds a sophisticated touch to your outfit, perfect for any occasion.
- **Comfortable Fit:** Designed with **53mm lens width** and **140mm temples length**, these sunglasses offer a comfy fit for most face shapes.
- **Eye Protection:** 100% UVA & UVB protection keeps your eyes safe from harmful rays while you enjoy the outdoors.
- **Durable and Stylish:** The high-quality metal frame ensures durability while maintaining a sleek, fashionable look.

Perfect for Any Occasion

The **Polaroid Women's Havana Polarized Shades** are versatile and stylish enough to wear on any occasion. Whether you're heading out on a weekend getaway, enjoying a walk in the park, or attending an outdoor event, these sunglasses will protect your eyes and complement your style. The **rose lenses** and **Havana metal frame** give these sunglasses a timeless yet trendy appeal, making them the perfect accessory for both casual and dressy outfits.

Don't miss out on the perfect mix of style, comfort, and security. Add the **Polaroid Women's Havana Polarized Sun Glasses** to your collection today and take pleasure in the outdoors in design!
