

Portable Battery Charger 20W PD Quick Charging Power Bank 4800mAh with LED Show

Description

Stay Powered Up Anywhere with a Fast-Charging, Trendy Portable Battery Charger

Never ever get captured with a dead phone once again! This compact and elegant 20W PD fast-charging power bank delivers reliable, high-speed charging on the go. With a powerful 4800mAh battery, it can charge your iPhone, iPad, or other USB-C devices quickly and efficiently. Plus, its colorful patterned design makes it as fashionable as it is functional. Whether you're traveling, commuting, or just out for the day, this portable charger is your perfect companion.

Fast Charging for Instant Power

No more waiting around for your device to charge. This power bank features 20W Power Delivery (PD) technology, allowing you to charge an iPhone 6-16 Pro from 0 to 50% in just 30 minutes. Perfect for those emergency moments when you need a quick battery boost.

Compact & Stylish Design

Unlike bulky power banks, this sleek, lipstick-sized charger easily fits in your pocket or purse. Designed with a vibrant, eye-catching pattern, it adds a pop of personality to your tech accessories. Choose from three unique styles—pink bubble, purple ribbon, and white candy—to match your aesthetic.

Smart LED Display for Easy Monitoring

Never guess how much battery you have left. The built-in LED display accurately shows the remaining

power, so you're always in control. Plus, this power bank supports pass-through charging, meaning you can charge your phone while the power bank itself is being recharged.

Universal Compatibility

Designed for versatility, this portable charger works with all iPhone models from iPhone 6 to iPhone 16/15, including Plus, Pro, and Pro Max versions. It also supports AirPods, iPads with a USB-C charging port, and even Android devices like Samsung Galaxy Z Flip, S24/S23/S22, Google Pixel, and OnePlus phones.

Why You'll Love It
