

Portable Bluetooth Speaker with Hook, IPX7 Waterproof, 24H Playtime

Description

Item Description

Prepare to take your music all over with the **Portable Bluetooth Speaker with Hook**. Whether you're trekking, outdoor camping, or delighting in a day at the beach, this speaker uses whatever you require to make every outside experience a soundtrack to keep in mind. With its compact style, 10W immersive noise, and rugged IPX7 water resistant ranking, it's developed to stay up to date with your active way of life, rain or shine.

Including the most recent Bluetooth 5.3 innovation, this speaker guarantees a steady and quick connection up to 66 feet away, so you can enjoy your favorite playlists without interruption. The **Portable Bluetooth Speaker** is equipped with a TF card slot, AUX input, and a built-in microphone for hands-free calls, making it perfect for any occasion. And with a generous 24-hour playtime, it'll keep the music going all day long. Plus, its lightweight design and included hook make it easy to carry or hang on your backpack or bike for on-the-go listening.

What truly sets this speaker apart is its versatility. The built-in RGB lights sync with the music, creating a dynamic light show that adds a fun, vibrant touch to any outdoor gathering. With three different light modes—fade, breathing, and transient—you can customize the ambiance to suit your mood. Whether you're camping under the stars, cycling through scenic trails, or simply relaxing in your backyard, the **Portable Bluetooth Speaker** will bring both the sound and the light.

Product Features

- **10W Immersive Sound:** Experience clear highs, rich midrange, and deep bass for an enhanced audio experience.
- **Bluetooth 5.3:** Enjoy a quick, steady connection with a wireless range of approximately 66 feet.
- **IPX7 Waterproof:** Built to withstand rain, spills, and even submersion in water up to 3.3 feet for 30 minutes.

- **24-Hour Playtime:** Keep the music going all day and night with an impressive 24 hours of playback on a single charge.
- **Built-In Microphone:** Take hands-free calls with ease, whether you're on the go or at your campsite.
- **RGB Lights:** Sync the dynamic LED light show with the beat of your music, offering three customizable lighting modes.
- **True Wireless Stereo (TWS) Pairing:** Pair two speakers together for a rich, 360° sound experience that fills the entire space.
- **TF Card Slot & AUX Input:** Play your preferred music directly from a TF card or connect with other devices via AUX input.
- **Portable & Hook Design:** Includes a hook for easy attachment to your backpack, bike, or gear, making it the ideal companion for any outdoor adventure.

Why Choose the Portable Bluetooth Speaker?

Whether you're scaling mountains, cycling down trails, or enjoying a day at the beach, the **Portable Bluetooth Speaker with Hook** is the ideal audio companion for every adventure. It delivers stunning sound quality and offers the durability you need for outdoor conditions. With its IPX7 waterproof rating, it's designed to endure water, dust, and dirt, ensuring that nothing stops your music from playing. Plus, its rugged build can withstand bumps and drops, making it perfect for your most active adventures.

This speaker is more than just functional—it's a fun, customizable addition to your outdoor gear. The RGB light show adds a lively, colorful dimension to your music, while the easy-to-use hook style allows you to attach the speaker wherever it's most convenient. Whether you're out hiking in the mountains, biking down a trail, or relaxing by the pool, this speaker brings the perfect blend of portability, performance, and fun lighting to all your adventures.

Don't let the small size fool you—the **Portable Bluetooth Speaker with Hook** packs a punch when it comes to both sound and style. Grab yours today and elevate your outdoor experience with unbeatable audio and dynamic lights!
