

Portable FM Radio Bluetooth Speaker with TF Card Slot, LED Flashlight, and Rechargeable Battery

Description

Portable and Versatile: All-in-One Radio, Speaker, and Flashlight

Meet the perfect companion for your outdoor adventures, daily commutes, or moments of relaxation—our Portable FM Radio Bluetooth Speaker. Compact yet powerful, this multi-functional device combines a high-quality FM radio, a reliable Bluetooth speaker, a TF card music player, and an LED flashlight—all in one sleek, pocket-sized package. Whether you're tuning in to your favorite radio station, streaming music from your phone, or using it as a torchlight during an evening walk, this device is designed to keep you entertained and prepared.

Key Features:

- **Bluetooth 5.0 Connectivity:** Enjoy seamless wireless music streaming from your phone, tablet, or other Bluetooth-enabled devices with the latest Bluetooth 5.0 technology.
- **FM Radio:** Tune into your favorite radio stations with an FM frequency range of 76-108 MHz and stay updated with the latest news, weather, or music.
- **TF Card Slot:** Play your personal music library directly from your TF card for an uninterrupted listening experience.
- **LED Flashlight:** Equipped with a built-in LED flashlight, this device is perfect for emergencies or outdoor activities like camping or hiking.
- **Rechargeable Battery:** A 500mAh battery gives you hours of uninterrupted use, and with just 2 hours of charging time via a standard USB cable, you're good to go!
- **Compact and Portable:** With dimensions of about 3.6 x 1.9 x 0.8 inches and weighing only 2.9 ounces, this lightweight gadget fits perfectly in your pocket, bag, or car.

Why Choose This Multi-Functional Device?

Imagine the convenience of having multiple devices in one compact unit! This portable FM radio, Bluetooth speaker, and flashlight combo ensures that you have everything you need in one handy device. Whether you're lounging at home, taking a stroll in the park, or on a road trip, it effortlessly brings music, entertainment, and utility together.

The **FM radio** gives you access to a wide range of stations, letting you stay connected and entertained, while the **Bluetooth speaker** lets you stream your favorite tracks with crisp sound quality. Need a flashlight in a pinch? The built-in **LED flashlight** will light your way when you least expect it. Plus, the **TF card slot** allows you to take your music with you, without needing your phone or internet connection.

Perfect for Any Occasion

Whether you're working out, traveling, relaxing at home, or spending time in nature, this versatile device makes your experience richer and more enjoyable. It's especially handy during power outages, camping trips, or when you just want to kick back and enjoy some tunes without the hassle of bulky devices. Its compact size means it's easy to carry and take anywhere—giving you the flexibility to entertain yourself or light the way, no matter where life takes you.
