

Portable USB Ultrasonic Scent Diffuser & Air Humidifier with Colorful Nightlight

Description

Bring Calm and Convenience to Any Area

Change your space into a relaxing sanctuary with this **Portable USB Ultrasonic Scent Diffuser & Air Humidifier**. Perfect for home, workplace, or travel, it carefully fills the air with cool mist instilled with your preferred vital oils, producing a rejuvenating and soothing atmosphere. Its sleek, compact design fits easily on any desk or bedside table, making it both a practical and stylish addition to your space.

Simple, Smart Features for Daily Wellness

This diffuser boasts a **120ml water tank** that provides continuous mist for hours without needing constant refills. It uses ultrasonic technology for a quiet, **whisper-quiet operation** under 36dB, so it won't disturb your work, sleep, or relaxation. With **independent buttons** for mist and light, you can easily customize your experience. Plus, the unique **voice control function** lets the mist and lighting respond to sound, adding a fun interactive element.

Enchanting Ambience with Colorful Lighting

Enhance your mood and decorate your room with the diffuser's **colorful ambient LED light** that mimics a soft, dancing flame. This feature doubles as a beautiful nightlight, creating a cozy environment ideal for unwinding after a busy day or setting a peaceful tone for bedtime.

Why Choose This Aroma Diffuser?

- **Long-lasting hydration:** 120ml tank supports up to a full day of continuous mist, keeping air fresh and moist.
- **Quiet and efficient:** Ultrasonic technology delivers fine mist without noise distractions.

- **Easy to use:** Separate controls for mist and light plus voice activation make it user-friendly.
- **Portable & USB-powered:** Use it anywhere with a USB port—ideal for desks, bedrooms, or travel.
- **Safe operation:** Automatically shuts off when water runs low for peace of mind.
- **Decorative lighting:** Soothing color-changing flame effect enhances any space visually.

Perfect for Every Moment

Whether you're working, meditating, sleeping, or simply relaxing, this diffuser adds moisture and gentle fragrance to the air, reducing dryness and improving comfort. Its soothing light and whisper-quiet mist create the perfect environment for stress relief, better focus, or a restful night's sleep. Compact and lightweight, it's easy to move from room to room or take with you on the go.
