

Programmable Drip Coffee Machine – 4-12 Cup, Glass Carafe, Strong Brew, Keep Warm

Description

Wake Up to the Perfect Cup of Coffee Every Day

Start your morning right with the Programmable Drip Coffee Maker, designed to bring convenience and rich, flavorful coffee to your kitchen. Whether you need a single cup to jumpstart your day or a full 12-cup carafe to share, this coffee maker delivers a smooth, robust brew with just the press of a button. Its programmable timer lets you set your brew the night before, so you wake up to the inviting aroma of fresh coffee.

Powerful Features for Effortless Brewing

- **Customizable Brew Strength:** Choose between regular or strong brew to match your taste preferences.
- **Large Capacity:** Brew anywhere from 4 to 12 cups to suit your needs, whether it's for a solo morning or entertaining guests.
- **Glass Carafe & Keep-Warm Function:** The durable glass carafe holds heat while the warming plate keeps your coffee at the perfect temperature for hours.
- **Programmable Timer:** Set it the night before and enjoy fresh coffee exactly when you need it.
- **4-Hour Auto Shut-Off:** Designed with safety in mind, this feature provides peace of mind by turning off the machine after 4 hours.
- **Anti-Drip System:** Pour a cup mid-brew without mess or spills.

Designed for Every Occasion

Whether you're brewing a pot for your morning routine, hosting a brunch with friends, or need a steady supply of coffee for the office, this coffee maker is your go-to solution. Its sleek and compact design fits beautifully in any kitchen, breakroom, or gathering space.

Easy to Use & Clean

With simple, intuitive controls, making coffee is as easy as 1-2-3. Just add water, place a coffee filter, add your favorite ground coffee, and press the switch. Plus, the removable filter basket ensures quick and effortless cleanup after every brew.

Why Choose This Coffee Maker?

- Programmable for fresh coffee on demand
- Adjustable brew strength for a customized experience
- Large capacity, ideal for home, office, or gatherings
- Keep-warm feature and auto shut-off for safety and convenience
- Sleek design that complements any kitchen

Enjoy Barista-Quality Coffee at Home

Take control of your coffee experience and enjoy rich, aromatic coffee every day. Whether you like it bold or mild, this coffee maker ensures a delicious brew every time. Don't wait—bring home the Programmable Drip Coffee Maker and make every morning better!
