

Rechargeable Electric Nail Drill 35,000RPM Cordless E Declare Manicure Pedicure

Description

Release Salon-Quality Nail Care with Accuracy and Power

Attain perfect, smooth nails with the **Rechargeable Electric Nail Drill** – your brand-new go-to tool for professional-grade manicures and pedicures. Created for both newbies and specialists, this electrical cordless nail e-file brings the power and accuracy of a hair salon experience straight to your fingertips. With an optimal speed of 35,000RPM, this flexible tool makes polishing, forming, buffing, and refining nails simpler and faster than ever. Delight in a peaceful, vibration-free efficiency, guaranteeing an ultra-smooth nail care regular whenever.

Advanced Efficiency and Unmatched Benefit

Created with a high-efficiency motor, the **cordless nail drill** offers approximately 35,000RPM, guaranteeing smooth and exact results with minimal noise and vibration. Whether you're polishing your nails, refining surfaces, or removing dead skin, this drill delivers high-speed efficiency with ease. The variable speed control allows you to adjust the speed to suit your needs, from gentle shaping to exact detailing.

Long-lasting Battery Life for On-the-Go Use

Forget about constant recharging. The **high-capacity 2000mAh rechargeable battery** provides up to 6 hours of continuous use, allowing you to work on your nails without interruptions. The cordless design gives you the freedom to move around, making it perfect for at-home use or while traveling. Take it anywhere and enjoy a professional nail care session whenever you want!

Premium Build for Ultimate Durability

Crafted from **high-quality CNC aluminum**, this electric nail drill is built for long-lasting performance. The advanced heat dissipation properties keep the drill cool, preventing overheating and extending the life of the tool. Whether you're a professional nail technician or a DIY enthusiast, this drill is designed to withstand the test of time, offering superior stability and durability for every nail care session.

Intelligent LCD Display for Easy Control

Keep track of your nail care progress with the **intelligent LCD display** that shows real-time operating information, such as speed and battery level. With this easy-to-read screen, adjusting your settings is effortless, ensuring a seamless nail care experience. The sleek design combined with intuitive controls allows you to focus on perfecting your nails with ease.

Complete Nail Care Kit for Professional Results

Our **cordless electric nail file** comes with everything you need to achieve flawless nails. It includes 6 grinding bits and 50 sanding bands, which are perfect for removing dead skin, gel polish, smoothing rough nail surfaces, and shaping nails. Whether you're working with acrylic nails, gel polish, or natural nails, this tool is the ultimate companion for all your nail care needs.
