

## Retro Oval Metal Frame Shades – Unisex UV400 Style Eyeglasses

### Description

## Classic Retro Design Satisfies Modern Sophistication

Enter the sun with self-confidence and class with our Retro Oval Metal Frame Sun glasses – the best mix of classic style and modern-day style. Created for innovators who enjoy to stand apart while securing their eyes, these unisex sunglasses use a smooth oval shape that matches every face shape. Whether you're out for a casual walk, participating in a weekend breakfast, or striking a celebration, these tones are your go-to device for simple and easy design.

Crafted with a long lasting alloy frame and gradient polycarbonate lenses, these sunglasses are developed to last while remaining light-weight and comfy for all-day wear. The UV400 security guarantees your eyes remain protected from damaging sun rays, letting you take pleasure in every minute outdoors without concern. With a frame width of 2.08 inches and lens height of 1.57 inches, they strike the best balance in between vibrant style and wearable style.

What makes these sunglasses really unique is their classic style – motivated by retro patterns yet customized for today's fashion-forward people. The oval shape includes a soft, elegant touch to any clothing, and the metal surface provides a high-end appearance without the high-end cost.
