

Set of 2 UV Resistant Artificial Boxwood Topiary Ball Trees

Description

Bring Nature Indoors and Outdoors

Transform your living spaces into green havens with our Set of 2 UV Resistant Artificial Boxwood Topiary Ball Trees. Perfect for both indoor and outdoor use, these faux potted topiary trees add a touch of elegance to courtyards, balconies, entryways, living rooms, study rooms, bedrooms, hotels, shopping malls, exhibitions, and more.

High-End Material for Lasting Beauty

Crafted from premium materials including boxwood, PE, and PVC, these artificial trees boast a realistic appearance that mimics the beauty of natural topiary. The high-end material ensures durability, making them suitable for all seasons, providing a consistently lush and green look throughout the year.

Easy to Place and Maintain

With a freestanding design, these topiary trees can be placed directly on the ground or in decorative flower pots. The set includes 2 artificial tree balls and 2 packs of dry moss, making it easy to achieve a natural effect. The low-maintenance design means you can enjoy the beauty of greenery without the hassle of watering or pruning.
