

Smart Keyless Entry Door Lock with Fingerprint

Description

Smart, Secure, and Convenient – The Ultimate Keyless Entry Door Lock

Upgrade your home, office, or apartment security with the Smart Keyless Entry Door Lock with Fingerprint & App Control. This state-of-the-art 4-in-1 smart door knob offers seamless access and unparalleled safety, allowing you to unlock your door using a fingerprint, passcode, app control, or backup physical keys. Whether you're a homeowner, hotel manager, or apartment dweller, this smart lock is designed to simplify access, eliminate the need for keys, and ensure peace of mind with advanced security features.

Imagine never fumbling for keys again. With this smart door lock, a single touch unlocks your door in just 0.2 seconds, thanks to its highly sensitive fingerprint sensor. You can even manage your lock remotely via the Tuya app, providing the ability to lock, unlock, share temporary e-codes, and review access logs—all from your smartphone. Whether you're rushing out or heading home, this lock offers a new level of convenience, safety, and style for modern living.
