Description

Illuminate Your Garden with Style

Transform your garden, yard, or patio into a beautifully lit oasis with our Solar-Powered LED Garden Path Lights. These stunning lights, designed to resemble elegant ice cubes, are the perfect addition to any outdoor space. Whether you're hosting a holiday gathering, enjoying a peaceful evening stroll, or simply adding some charm to your landscape, these solar lights provide the perfect ambiance.

Features That Shine

Our solar garden lights are packed with features to ensure your outdoor spaces are illuminated efficiently and attractively:

- **Effortless Installation:** No wires or complicated setup. Simply turn on the switch and place the lights where needed.
- **Solar Charge & Light Sensor:** Built-in 600 mAh battery charges in 4-6 hours of sunlight, providing 8-10 hours of illumination. Lights automatically turn on at dusk and off at dawn.
- **Crystal Brick Design:** Measuring 2.8x2.8x2.2 inches, these lights feature a frosted finish that softens the light for a romantic atmosphere.
- **Weather Resistant:** IP65 waterproof rating and durable ABS construction make these lights perfect for all weather conditions, from rain to snow.

Why Choose Our Solar Garden Lights?

These lights offer more than just illumination:

- **Energy Efficient:** Powered by solar energy, these lights help reduce electricity costs and are environmentally friendly.
- **Versatile Use:** Ideal for gardens, patios, walkways, and driveways, these lights add a decorative

touch and enhance safety.

- **Automatic Operation:** The built-in light sensor ensures hassle-free operation, automatically turning the lights on and off as needed.
- **Durable Design:** The high-quality materials and IP65 waterproof rating ensure these lights withstand the elements, providing long-lasting performance.
