Features & Specifications

- **Energy-Efficient Design:** Solar-powered propeller ensures continuous operation without batteries or cords.
- **Versatile Placement:** While it's designed primarily for the car dashboard, it can also adorn your home bedroom, office, or any desired space.
- **Durable Build:** Constructed using high-strength aluminum alloy and ABS materials.
- **Color Options:** Available in sleek black or sophisticated silver.
- **Dimensions:** Compact size of 10.5cm x 9cm making it a perfect fit for various spaces.

What Makes This Product Special?

This isn't your everyday car accessory. Beyond its appealing design, it serves a dual purpose. Firstly, the eco-drive movement ensures the propeller continuously rotates using solar energy, turning it into a mesmerizing visual piece. Secondly, the integrated air freshener purifies your car's interior, removing harmful gases, and introducing an original ecological aroma. Within seconds, your car is not only visually enhanced but also smells delightful.
