12M	22.05	24.41
18M	22.83	26.38
newborn	18.90	18.11

Why You'll Love It

This romper is not just cute; it's designed for comfort and convenience. The soft acrylic fabric is stretchy and breathable, ensuring that your baby can play, crawl, and nap without any restrictions. The easy pullover design makes dressing and diaper changes a breeze, while the full sleeves provide warmth for those cooler autumn days. Your baby will look adorable and feel comfortable all day long.

When to Use

This versatile romper is perfect for everyday wear, family outings, and special occasions. Whether you're headed to the park, a family gathering, or just lounging at home, this jumpsuit is ideal for any setting. Its stylish design also makes it a fantastic option for baby photos, ensuring your little one is picture-perfect.

What Makes It Special

What sets this baby romper apart is its combination of fashion and functionality. The playful bear design and trendy stripes create a delightful look, while the practical features cater to the needs of both parents and babies. Plus, with no harmful chemicals used in its production, you can feel confident dressing your child in this safe and stylish outfit.
