

Thick Inflatable Camping Mattress with Built-in Pillow and Pump

Description

Experience Ultimate Comfort in the Great Outdoors

Elevate your camping experience with our Thick Inflatable Camping Mattress, designed for adventurers who value comfort and convenience. This mattress features an ergonomic one-piece pillow that cradles your head and neck, providing the support you need for a restful night under the stars. With a remarkable thickness of approximately 15 cm (5.9 inches) for the pillow and 10 cm (3.9 inches) for the mattress, you can say goodbye to uncomfortable nights on hard ground.

Innovative Design for Easy Use

Inflating your mattress has never been easier! The built-in pump allows you to effortlessly inflate the cushion to your desired firmness using a foot pump, so you can focus on enjoying your outdoor adventure rather than struggling with air bags. The mattress is portable and easy to store, with a compact size of 11.42 x 5.91 x 4.72 inches when packed away, making it the perfect companion for hiking, climbing, or any outdoor activity.
