

Tom Ford Women's Burgundy Square Sun glasses

Description

Product Overview

Step up your eyewear game with the **Tom Ford Women's Burgundy Square Sunglasses**, designed for those who appreciate both style and function. These sunglasses feature a chic **burgundy metal frame** paired with **brown mirrored gradient lenses** that exude sophistication while offering superior protection. Whether you're soaking up the sun on a beach day or strolling through the city, these sunglasses provide the perfect combination of bold fashion and practical performance.

Key Features

- **Frame Material:** Durable metal frame in a rich burgundy color that complements a variety of outfits.
- **Lenses Material:** Plastic lenses designed for lightweight comfort and durability.
- **Lenses Effect:** Mirrored and gradient lenses offer both style and function, reducing glare while enhancing contrast.
- **Filter Category:** Category 2 lenses provide optimal protection for moderate sunlight conditions.
- **Protection:** 100% UVA and UVB protection ensures your eyes stay safe from harmful rays.
- **Lens Dimensions:** 60mm lens width, 54mm lens height – offering a generous fit for maximum comfort and visual clarity.
- **Bridge and Temples:** 17mm bridge width and 140mm temples length for a secure and comfortable fit.

Why You Need These Sunglasses

The **Tom Ford Women's Burgundy Square Sunglasses** are the perfect accessory to elevate your look, whether you're attending a garden party, heading out for a brunch date, or just lounging under the sun. The **mirrored gradient lenses** not only add a touch of glamour but also enhance your vision by reducing glare and improving contrast. The **burgundy metal frame** gives the sunglasses a high-

fashion edge, ensuring you stand out in style.

With **100% UVA and UVB protection**, these sunglasses keep your eyes shielded from the sun's harmful rays, making them perfect for long days outdoors. The **plastic lenses** are designed for comfort and durability, while the **frame dimensions** of 60mm lens width, 54mm lens height, 17mm bridge width, and 140mm temple length offer a comfortable fit for most face shapes.

Benefits of Tom Ford Sunglasses

- **Fashion-Forward Design:** The square shape and burgundy metal frame give these sunglasses a timeless yet modern appeal.
- **Mirrored & Gradient Lenses:** These lenses combine style and functionality by reducing glare and enhancing contrast for clearer vision.
- **Full UV Protection:** 100% UVA and UVB protection ensures your eyes are safe from harmful sun exposure.
- **Lightweight Comfort:** The plastic lenses and metal frame offer a comfortable fit without sacrificing durability.
- **Perfect for All Occasions:** From casual outings to elegant gatherings, these sunglasses complement a wide range of outfits and occasions.

Perfect for Sunny Days and Special Occasions

Whether you're vacationing in a sunny locale, spending a day in the park, or simply adding a touch of luxury to your everyday look, the **Tom Ford Women's Burgundy Square Sunglasses** are the ideal accessory. Their sophisticated yet functional design makes them suitable for a variety of outdoor activities while keeping you protected from the sun. With the perfect combination of style, comfort, and protection, these sunglasses are sure to become your go-to accessory this season.

Make a statement with the **Tom Ford Women's Burgundy Square Sunglasses**. Elevate your style and enjoy the outdoors in both comfort and fashion!
