Unique Features for a Unique Experience

What sets our diffuser apart are its distinctive flame and smoke ring effects. Choose between a mesmerizing flame or a captivating smoke ring to create an ambiance that suits your mood. With its 2.4MHz high-frequency ultrasonic atomization, it quietly disperses a fine mist that carries the essence of your favorite essential oils throughout your space.

Designed for Your Convenience

This essential oil diffuser is thoughtfully engineered with user-friendly features, making it an ideal choice for any home or office. Its large 320ml capacity ensures all-day operation, meeting your daily humidifying needs. The easy-to-use twist operation and USB connectivity make it a convenient and portable option for any setting.

Safety and Efficiency at Its Core

Your peace of mind is our priority. Equipped with a water shortage protection system and an anti-burn system, this humidifier automatically shuts down when it runs out of water, ensuring safe and worry-free use.

Product Benefits

- **Enhanced Air Quality:** Adds moisture to the air, benefiting your skin, throat, and overall well-being.
- **Aromatherapy on Demand:** Enjoy the therapeutic effects of essential oils at your convenience.
- **Stylish Design:** Adds a modern touch to any room with its sleek columnar shape.
- **Quiet Operation:** Ultrasonic technology ensures a noise level of less than 36dB, perfect for undisturbed relaxation or work.
- **Customizable Light Settings:** Warm lighting creates a cozy atmosphere for relaxation and focus.
