Product Features

- Voltage: 220V-240V for powerful and efficient brewing.
- Durable and sleek housing material made of high-grade plastic.
- Large capacity catering to 5-10 cups, perfect for any occasion.
- Compact dimensions (240x300x270mm) for easy kitchen placement.
- Lightweight design at just 3.6kg, making it portable and easy to handle.
- Eye-catching green color classification, adding style to your kitchen decor.

Perfect for Every Occasion

Whether it's a quick espresso shot to kickstart your day or a leisurely cappuccino on a lazy Sunday afternoon, this machine caters to all your coffee needs. Its robust 20 bar pressure ensures every espresso shot is rich, smooth, and full of flavor. The milk frother adds that final touch of luxury, allowing you to craft a variety of coffee beverages just like a professional barista.
