

Universal Magnetic USB Battery Charger with Power Bank Function

Description

Revolutionize Your Charging Experience

Introducing the ultimate solution for all your charging needs – the Universal Magnetic USB Battery Charger with Power Bank Function. This compact, versatile device is not just a charger; it's your reliable partner in powering up a wide range of lithium-ion batteries. Whether you're at home, in the car, or on the go, this charger ensures your devices stay powered up and ready to use.

Key Features

- **Universal Compatibility:** Charges various Li-ion batteries, including 32650, 21700, 18650, and more.
- **Power Bank Functionality:** Doubles as a power bank to charge your electronic devices in emergencies.
- **Advanced Safety Features:** Equipped with overcharge, reverse connection, and short circuit protection.
- **Lightweight and Portable:** Weighing just 18.2g, it's perfect for on-the-go use.
- **Efficient Charging:** Input of 5V/1A and output of 4.2V/1A (Max 1.2A) for quick, efficient charging.

When and Where to Use

Whether you're an avid traveler, a professional on the move, or simply need a reliable charger at home, this device is perfect for you. It's especially handy in outdoor settings or during power outages, keeping your essential gadgets charged and ready. Its magnetic feature ensures easy attachment and detachment, simplifying the charging process.

What Makes It Special

The charger stands out with its universal compatibility, ensuring that a wide range of batteries can be charged effortlessly. Its compact design, coupled with the power bank feature, makes it an essential gadget for everyone. The safety protections offer peace of mind, ensuring your devices are charged safely and efficiently.

Product Benefits

- Stay connected with a reliable power source for your devices.
- Save space and weight with its compact, portable design.
- Enjoy peace of mind with advanced safety features.
- Benefit from the flexibility of charging multiple battery types.
- Experience the convenience of a 2-in-1 charger and power bank.

Don't let your devices run out of power ever again. Embrace the convenience, versatility, and reliability of the Universal Magnetic USB Battery Charger with Power Bank Function. It's the only charger you'll ever need, whether at home or on the go. Order yours today and stay charged up in every situation!
