

Vertical Wireless Ergonomic Mouse – Type C & USB Rechargeable, Silent Click, Adjustable DPI

Description

Revolutionize Your Workspace with Comfort and Style

Upgrade your workspace with the Vertical Wireless Ergonomic Mouse, designed to provide both comfort and functionality. This sleek, ergonomic mouse is a game-changer for anyone looking to relieve wrist strain and muscle tension during long work hours. The vertical design encourages a natural hand position, making it ideal for professionals, students, and anyone spending extended time on their computers. With its vibrant, colorful appearance, it adds a splash of personality to your desk, while keeping your productivity levels high.

This wireless mouse comes equipped with both a USB receiver and a Type-C adapter, making it compatible with a wide range of devices, from laptops to tablets and smartphones. Whether you're working on a MacBook, Windows PC, or even an Android device, this mouse has got you covered. Plus, its rechargeable battery ensures you can stay connected without the hassle of constantly replacing batteries.

Key Features of the Vertical Wireless Ergonomic Mouse

- Rechargeable with built-in 500mAh lithium battery – lasts over 2 months on a single charge
- Ergonomic vertical design reduces wrist strain and enhances comfort
- Silent, whisper-quiet clicks – 95% quieter than traditional mice
- 2-in-1 compatibility with USB A & Type C – ideal for various devices, including MacBooks, Chromebooks, tablets, and more
- 4 Adjustable DPI settings (800, 1200, 1600, 2400) for precise control
- Lightweight design, perfect for small to medium hand sizes
- Noiseless clicking – only 38 decibels for a distraction-free environment

Why Choose This Ergonomic Mouse?

- **Boost Your Comfort:** The vertical ergonomic design is specifically crafted to alleviate wrist strain and prevent muscle fatigue, making it ideal for long work sessions.
- **Quiet & Efficient:** With whisper-quiet clicks, this mouse ensures you stay focused without disturbing others, whether in a quiet office or a shared space.
- **Recharge and Go:** Forget about batteries – this mouse is rechargeable, providing over 60 days of use on a single charge, making it a reliable companion for travel or daily use.
- **Perfect Gift:** Its colorful design makes it not only functional but also a visually appealing gift for friends and family. It's the perfect thoughtful present for special occasions like Christmas, birthdays, and anniversaries.

Bring Comfort to Your Workspace Today

Transform your work or study sessions with the Vertical Wireless Ergonomic Mouse, combining innovative design, comfort, and practicality. Its lightweight, quiet, and colorful design makes it a stylish addition to any workspace while ensuring ergonomic benefits. Get yours today and experience the perfect blend of comfort and efficiency, wherever you work.
