

Waterproof Bluetooth Speaker

Description

Take Your Music Anywhere with the 20W Waterproof Bluetooth Speaker

Elevate your outdoor adventures, parties, and home listening with the ****20W Waterproof Bluetooth Speaker****. Featuring powerful sound, deep bass, and the latest Bluetooth 5.0 technology, this portable speaker delivers crystal-clear audio in a compact, durable design. Whether you're by the pool, camping in the great outdoors, or relaxing at home, this speaker is designed to keep the music going with up to 8 hours of playtime on a single charge. With its waterproof rating, 360° stereo sound, and impressive subwoofer, this speaker is built to handle any environment.

Key Features of the 20W Waterproof Bluetooth Speaker

This speaker is packed with features to deliver high-quality sound and convenience, making it perfect for any occasion:

- **20W Powerful Output:** Enjoy rich, dynamic sound with deep bass and crisp highs, perfect for any setting—from outdoor gatherings to indoor parties.
- **Bluetooth 5.0 Connectivity:** Stay connected with the latest Bluetooth technology, ensuring a stable connection with all Bluetooth-enabled devices, up to 10 meters away.
- **IPX7 Waterproof Rating:** Designed to withstand water exposure, making it ideal for use at the pool, beach, or during rainy outdoor adventures.
- **5200mAh Long-Lasting Battery:** Equipped with a powerful battery that offers up to 8 hours of continuous playtime, so you can keep the music going all day long.
- **TWS Stereo Pairing:** Easily pair two speakers together to create an immersive 360° surround sound experience, perfect for large gatherings or outdoor events.
- **Multiple Sound Modes:** Choose from different sound modes including Extra Bass, 3D Surround,

and Standard to customize your listening experience.

- **Portable and Lightweight:** Weighing just 470g and measuring 180mm in length, this speaker is easy to carry and perfect for on-the-go use.
- **Supports AUX, TF Card, and USB Type-C:** Play music from various sources with versatile connectivity options, and quickly recharge via the included Type-C cable.

Benefits of the 20W Waterproof Bluetooth Speaker

- Enjoy high-quality audio with powerful bass, perfect for both indoor and outdoor settings.
- Long-lasting battery life ensures your music keeps playing for up to 8 hours on a single charge.
- Waterproof design allows for worry-free use at the pool, beach, or during outdoor activities.
- Portable and compact, this speaker is easy to bring anywhere, whether you're hiking, camping, or simply relaxing at home.
- With TWS stereo pairing, you can create a surround sound experience for larger spaces or events.
