

## Wireless Earbuds with Bluetooth 5.3, 40H Playtime, Sound Cancelling, IP7 Waterproof

### Description

## Experience Unmatched Audio Quality and Comfort

Elevate your listening experience with these **wireless earbuds** that combine powerful sound, comfort, and durability. Whether you're hitting the gym, going for a run, or just relaxing at home, these earbuds are designed to deliver immersive sound and superior performance. With Bluetooth 5.3 technology, you get fast, stable connections with a 150% increase in transmission speed and 50% more stability than previous versions. These earbuds ensure a seamless audio experience that will stay with you throughout your day.

## Enhanced Audio for an Immersive Experience

Enjoy **rich, stereo bass** and clear, detailed sound with the 14.2mm diaphragm and AAC/SBC decoder. This powerful combination offers a 45% increase in audio frequency range, providing you with a deeper, more dynamic listening experience. Whether you're listening to music, podcasts, or watching your favorite shows, these earbuds make every moment sound amazing.

## Long-lasting Battery Life for All-Day Listening

- **Quick Charge Feature:** Need a quick boost? A 10-minute charge gives you up to 2 hours of playback, perfect for when you're on the go and need a fast charge.
- **Extended Playtime:** With up to 48 hours of total playtime thanks to the included 800mAh charging case, these earbuds keep going as long as you do, making them ideal for long flights, road trips, or daily commutes.

## Built for Active Lifestyles

Designed with a 45° earhook and an IP7 waterproof rating, these earbuds stay secure and comfortable through the most intense workouts, runs, or outdoor adventures. The **earhook design** ensures a snug fit that keeps the earbuds in place, while the **IP7 waterproof rating** protects them from sweat, rain, and splashes, making them perfect for sports and active lifestyles.

## Clear Communication with Dual Microphones

Whether you're taking calls on the go or chatting with friends, the dual microphones with CVC 8.0 noise reduction technology ensure **clear, crisp calls**. The microphones block out up to 80% of background noise, so your voice comes through loud and clear even in noisy environments.

## Smart Touch Control and Sleek Design

Control your music, calls, and more with the **intuitive touch controls**. The sleek, glossy design adds a refined touch to the earbuds, making them as stylish as they are functional. Whether you're playing music, adjusting volume, or answering calls, everything is just a tap away.

## Why These Earbuds Stand Out

- **Bluetooth 5.3:** Fast, stable connections for uninterrupted music and calls.
- **IP7 Waterproof:** Designed to withstand sweat and rain, perfect for active use.
- **Quick Charge:** Get 2 hours of playback with just 10 minutes of charging.
- **Crystal Clear Calls:** Dual microphones with CVC 8.0 for clear, noise-free conversations.
