

X8Pro 40W Bluetooth Speaker – Water Resistant, Deep Bass, 30H Playtime & Lights

Description

Powerful 40W Sound with Deep Bass

Experience rich, immersive sound with the X8Pro Bluetooth Speaker. Featuring two full-range drivers and dual passive radiators, this portable speaker delivers a powerful 40W output with deep, punchy bass and crystal-clear highs. Whether you're listening to music, watching a movie, or playing games, enjoy distortion-free audio at any volume.

Light Up Your Party with Dynamic LED Lights

Turn up the energy with the X8Pro's vibrant LED light show! Seven dynamic colors pulse and change with the beat of your music, setting the perfect atmosphere for any gathering. Whether it's a backyard party, beach bonfire, or night in with friends, this speaker ensures an exciting audiovisual experience.

True Wireless Stereo Pairing for Bigger Sound

Want even more powerful sound? Connect two X8Pro speakers via True Wireless Stereo (TWS) pairing and double your audio output to 80W. Fill every corner of your space with bold, immersive sound that enhances your favorite tunes.

IPX7 Waterproof for Ultimate Outdoor Fun

Designed for adventure, the X8Pro features an IPX7 waterproof rating, making it completely resistant to water, rain, and splashes. Take it to the beach, by the pool, camping, or even in the shower—without worry. This speaker is built to withstand any weather conditions so you can enjoy your music anywhere.

30 Hours of Playtime & Fast Charging

With an impressive 6600mAh battery, the X8Pro provides up to 30 hours of continuous playtime on a single charge. The Type-C fast-charging port ensures your speaker powers up quickly, so the party never has to stop.

Customizable Sound with 3 EQ Modes

Find the perfect audio setting for any occasion with three professional EQ modes:

- **Bass Mode:** Enhance deep, thumping bass for a powerful music experience.
- **Pop Mode:** Balanced sound with rich mids and highs.
- **Vocal Mode:** Crystal-clear voice clarity for podcasts, calls, and audiobooks.
